Being the account holder or authorized corporate officer, by signing below, I understand and agree to the terms set forth in the agreement, agree to pay, and specifically authorize BendTel to charge my account for services provided. I further agree that in the event my account becomes invalid, I will provide BendTel with a new, valid account upon request, to be charged for the payment of any outstanding balances owed to BendTel and used in place of the above account for the continuance of recurring charges, if any may apply.
