Charges

The first charge to the card may include installation charges and/or equipment purchases. There may also be a prorated amount for service delivered within the current billing cycle. These charges will be in addition to the normal service period charges. The One-time Charge below may be estimated.

One-time Charge: \$ _____ First Billing Date: ____ - ____

The normal service charge should, in most cases, be the same each billing period. Differences in billed amount are normal for accounts that include long distance services or other services that are billed on a different schedule (such as yearly charges for domain registrations) or are subject to taxes. As with the initial One-time Charge, this should be viewed as an estimate.

Recurring Charge: \$ _____

Monthly Quarterly Semi-annually Annually Bi-annually

Being the cardholder or authorized corporate officer, by signing below, I understand and agree to the terms set forth in the agreement, agree to pay, and specifically authorize BendTel to charge my credit card, for services provided. I further agree that in the event my credit card becomes invalid, I will provide BendTel with a new, valid credit card upon request, to be charged for the payment of any outstanding balances owed to BendTel and used in place of the above credit card for the continuance of recurring charges, if any may apply.
